

Early Years

Mrs Petrie- Deputy Head EY Lead

I have been at Crossflatts Primary school since being an ECT. I began my career in Nursery following a degree in early childhood studies and then a PGCE in primary education. I have always been interested in all elements of early childhood development and throughout my career have undertaken lots of additional research to support my EY practise. I am passionate about the importance of quality relationships and interactions being at the heart of a child's success in Early years. I am immensely proud to lead such a committed team of individuals in our Early Years.

Meet the Team
