Reading

Our children will...

Decode and understand texts

Follow the RWI phonic scheme from starting points

Decode new words and work out the meaning by segmenting and blending

Grow in confidence to explain their understanding of the texts they have read and have read to them.

Read year 1 common exception words

Begin to answer questions stems linked to the text

Begin to use inference

Read widely, read for pleasure and discuss what has been read

Read a wide range of text types

Be able to discuss books they have read and books of a higher level that have been read to them

Read for a variety of purposes

Be exposed to a range of poetry beginning to read some parts on their own.

Recognise key features in texts - fiction and non fiction

Vocabulary

Infer

Predict

Explain

Retrieve

Summarise

Find and explain the meaning of words in context

Make and justify inferences using evidence from the text

Predict what might happen from the details given and implied

Explain how different aspects of the text affect the reader

Retrieve and record information directly from the text

Summarise the key information and events from the text

## Writing

## Science

Our children will .....

Explore the human body ...  
-Identify, name, draw and label the basic parts of the human body and say which part of the body is associated with each sense

Explore Magical materials  
-distinguish between an object and the material from which it is made  
-identify and name a variety of everyday materials, including wood, plastic, glass, metal, water, and rock  
-describe the simple physical properties of a variety of everyday materials  
-compare and group together a variety of everyday materials on the basis of their simple physical properties

Apply what they know about materials  
To predict, test and create a space suit for their journey to the moon.  
Evaluate and improve their creations

Explore Amazing animals  
-identify and name a variety of common animals including fish, amphibians, reptiles, birds and mammals  
-identify and name a variety of common animals that are carnivores, herbivores and omnivores  
-describe and compare the structure of a variety of common animals (fish, amphibians, reptiles, birds and mammals, including pets)

Explore plants and trees  
-identify and name a variety of common wild and garden plants, including deciduous and evergreen trees  
-identify and describe the basic structure of a variety of common flowering plants, including trees

Making Connections  
-Carry out online research to find answers to questions  
-Begin to recognise if a test is fair.  
-Use data to answer questions.  
-Recognise patterns in data.

## Geography

Our children will...

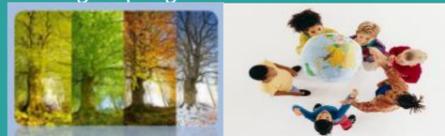

-Go on a local walk in Crossflatts  
-Study aerial photographs and highlight key places and landmarks.  
-What are human and physical features?  
-Identify human and physical features in Crossflatts.  
-Create a simple map of the local area with a basic key.  
KAPOW -  
<https://www.kapowprimary.com/subjects/geography/key-stage->

-Explore the UK by looking at maps and aerial photographs.  
-Learn about the 4 countries that make up the UK.  
Identify the seas surrounding the UK.  
-I know the capital cities

-Collate data from the year  
Plan and record a weather report to share with parents  
• To know that seasons change and what the four seasons are.  
• Identify typical seasonal and daily weather patterns in the United Kingdom

<p><a href="#">/geography-year-1/what-is-it-like-here/</a></p> <ul style="list-style-type: none"> <li>• Use simple fieldwork and observational skills to study the geography of their school and its <u>surroundings</u> surrounding area.</li> <li>• Look at the key human and physical features of its surrounding environment.</li> <li>• Use aerial photographs and plan perspectives to recognise landmarks and basic human and physical features; devise a simple map; and use and construct basic symbols in a key</li> <li>• Follow a map</li> </ul>		<p>-Surrounding seas -Key Landmarks</p> <ul style="list-style-type: none"> <li>• Name, locate and identify characteristics of the four countries and capital cities of the United Kingdom and its surrounding seas</li> <li>• Use maps to identify the UK</li> <li>• countries and capital cities of the United Kingdom and its surrounding seas</li> <li>• Use maps to identify the UK</li> </ul>	<ul style="list-style-type: none"> <li>• project- linked to science and Geography</li> </ul>

 Study - local artist Robert Fuller  
 Create pieces of work in his style using drawing and painting skills taught this year.

- Study a local artist and create works of art in his style.
- Use my ability to control paint and pencil drawing.

techniques.

### Design and Technology

Our children will design, make and evaluate ...

#### Textiles- 'A fabric face'

- Design purposeful, functional, appealing products for themselves and other users based on design criteria.
- Select from and use a wider range of tools and equipment to perform practical tasks.
- Explore and evaluate a range of existing products

#### Structure 'A space buggy'

Design purposeful, functional, appealing products for themselves and other users based on design criteria.  
 Select from and use a wider range of tools and equipment to perform practical tasks.  
 Select from and use a wider range of materials.  
 Evaluate their ideas and products against design criteria.

#### Food

##### A sensational salad

- Select from and use a wider range of tools and equipment to perform practical tasks.
- Explore and evaluate a range of existing products.
- Understand where food comes from.

### Computing

Our children will..

#### Computer Science

CS1 Understand and create simple algorithms.

CS2 Understand that digital devices can be controlled by simple commands

#### Data Handling

DH1 Sort, organise and classify objects based on their properties.

DH2 Represent and interpret simple data as pictograms

#### Media

M1 Communicate simple ideas through the use of text, images and sounds.

M2 Understand sound and music can be created using a range of simple technology

#### Computer Science

CS3 Create and debug simple programs & algorithms to achieve an outcome.

CS4 Recognise common uses of technology in and beyond school and understand they are controlled by programs

#### Media

M3 Record sound using simple technologies and play back the recordings.

M4 Create an image/animation in a simple graphics application.

M5 Capture images using a range of technologies and share with others.

P.S.H.E R.E *British Values Celebrations.*  
Character and Culture (R.E. P.S.H.E. R.S.E.)
