Thursday 20th March 2025

Hi Everyone,

Tomorrow, Friday 21st of March, we will be taking part in Red Nose Day and raising money for Comic Relief. The children and staff are invited to come into school wearing their own clothes or Comic Relief t shirts etc. with a £1 donation.

Some of the children in Key Stage 2 are also going to be running stalls. If you would like your child to visit these stalls, please send them with **£2 in a separate envelope to the £1 non uniform donation on Friday morning**. There will be cake stalls with pre packed cakes and sweets. If your child has any allergies we are not already aware of please ensure you make your child's class teacher aware.

Appointments for our spring term parent's evenings will be held in the last week of term, on **Tuesday 1st of April from 3.30pm-6.20pm and again on Wednesday 2nd of April from 3.30pm-6.20pm**. Please click on the following link to book your slot with your child's teacher. Appointments are open, if you need any help with booking a slot, please just give the main office a call and the admin team will help you.

A plea from Mrs Markey...

Are you a talented musician, artist, thespian, dancer or do you work in the creative arts industry? We are looking for anyone who might like to get involved in our creative arts week that we are planning for w/c 16th June. We are looking for people who might like to run workshops for classes as well as people who would like to come into an assembly to perform/share information about their career/hobby. If this sounds like something you might like to do or you know somebody that might be interested please can you e-mail me on debbie.markey@crossflatts.bradford.sch.uk and I will then get in touch with you. Thanks for your support.

Safeguarding

Helping very young children in difficult situations to seek support can be challenging. Their minds are often not developed enough to understand situations which make them feel uncomfortable. They are also unable to comprehend what they need to do to get out of them. More often than not their limited vocabulary will also reduce their ability to talk to adults effectively. ChildNet has released a downloadable story over on their site, aimed at children aged three and up. Their objective is to make them aware of how to seek help. By following the link below you can also find simplified resources around the story, as well as the story itself. <https://www.childnet.com/resources/hanni-and-the-magic-window/>
