

# Our Vision and Values

'Come as you are and leave at your best'

'We are a family, who learn how to flourish and then fly high.'

## Mrs Bennett's Blog

Thursday 15 May 2025

Hi Everyone,

Our amazing Year 6 children completed their end of Key Stage 2 SAT tests this week, the tests were very challenging and demanded a great deal from our children. The children arrived at school every day, determined to do their very best and show just how much learning they have acquired throughout their time at Crossflatts Primary School. The grit, determination and conviction they have shown throughout the week, just demonstrates the wonderful young people they are all becoming as they prepare for their secondary careers. I couldn't be any prouder of our children. Every single child within Year 6 has tried their very best throughout the week and we are in awe of each and every one of you. You should all be very proud of yourselves!

We are very excited after the holidays for us to be able to have our very own heated swimming pool on site again and our Key Stage 2 children are excited to begin their swimming lessons

straight after the spring bank holidays for a half term of small group swimming. We are so lucky!

Information about which days each year group will swim on will follow next week so families have time to organise swim kits over the holidays.

**Just in case families need to book time off from work commitments- Rose Day is Thursday 10<sup>h</sup> of July from 1.30pm.**

'Come as you are and leave at your best'

'We are a family, who learn how to flourish and then fly high.'

## Safeguarding

As we are close to embarking on the spring bank fortnight off, many of our children will be enjoying trips to the beach, parks, rivers which are there to enjoy but to ensure the children know how to keep safe too. Below is a link to a useful download all about water safety which you could use to have a discussion around what to do if your child finds themselves in trouble in water.

## Friends of Crossflatts

The Friends of Crossflatts have been trialling a new fundraising opportunity with the Easy Fundraising app, which we are now sharing with you all. The app is a great way to boost the money raised for school with no additional cost to you. The money is raised through a cash back system on purchases made with major retailers through the app. Between the 9th May and 23rd May, the app is offering us a bonus for each new person who signs up and nominates Crossflatts as their chosen cause. There are further details of this on Class Dojo or if you have any further questions please feel free to ask your year rep or email [\*\*friends@crossflatts.bradford.sch.uk\*\*](mailto:friends@crossflatts.bradford.sch.uk).

We are now having weekly meetings to discuss the planning of Rose Day 2025, the next one is 21st May at 8pm on zoom. If you would like to join in please let a year rep know or email at the address above and we can let you know the details.

## Attendance

Here are last week's figures:

Whole School: 96.4%

Our Aspirational Target	The national target	Reception	Year 1	Year 2	Year 3	Year 4	Year 5	Year 6
98%	97%	97.9%	96.3%	95.3%	96.6%	93.9%	98.4%	96.4%

The weather is warming up for our last week of term next week, I know our Year 4 children are getting very excited about going on their residential to Lytham St Anne's, let's hope the sun keeps shining for us!

Kind regards

Mrs Bennett

Headteacher
