

Our Vision and Values

'Come as you are and leave at your best'

'We are a family, who learn how to flourish and then fly high.'

Mrs Bennett's Blog

Thursday 13th June 2024

Hi Everyone,

Welcome back to the final half term of the year! I hope everyone had a lovely break during the holidays and were able to enjoy some sunshine when it appeared, I am hopeful this cold weather is going to move on soon!

We held our first **World of Work Day** today for our children in years 3 to 6 where we had lots of different people come to run workshops with our children to give them a taste into their world and their career. We hosted people from the RSPCA, Dance, Farming & Environment, Countryside partnerships, Hallmark, Broadcast journalism, Medics, engineering and construction! Such a varied set of careers for the children to see the journey into each career. Here are some photos...

The summer term is a very busy final half term for us so I wanted to share some key dates ahead of time for your diaries:

Summer Term

Key Dates

Friday 28th of June – Non-uniform day for Rose Day Sweet treat tombola.

Thursday 11th of July - Rose Day.

Friday 12th of July - Class Lists and End of Year Reports sent home.

Wednesday 17th of July - Reception Transition day-9.15am-11.15am.

Thursday 18th of July - Shuffle up day & Meet the Teacher event.

Our Vision and Values

'Come as you are and leave at your best'

'We are a family, who learn how to flourish and then fly high.'

Safeguarding

smoothwall® Monitor

Ensuring our school's cybersecurity, and online child protection protocols is vital for keeping children and young people out of harm's way. With computing now an integral part of what every school does, from the administrative level to computing lessons it is imperative that everyone, in our school is protected. At Crossflatts Primary school we use a robust filtering and monitoring system so that every key stroke on any device used in our school is monitored. Should any inappropriate words or sentences be typed into a search engine, document or email etc. I receive an alert and screen shot of the words, which have been typed, as a possible cause of concern. This ensures we can closely monitor all device usage in our school and be vigilant at all times of anything inappropriate or content which could be harmful to children. We have an extremely effective filtering system which blocks internet access to harmful sites and inappropriate content which doesn't unreasonably impact teaching and learning or school administration. Of course as we also ensure as part of our curriculum that we teach our children how to assess and manage risk themselves when they are online.

Friends of Crossflatts

Friends of Crossflatts are in full planning mode for this year's Rose Day celebrations which will be held 4 -7pm at school on Thursday 11th July.

We are seeking donations of teddy's and new, unused gifts for children or adults for our tombola's and raffle. No books please. Due to storage limitations within school, we will be collecting donations at school pick up on Thursday 4th July and the morning drop off on Friday 5th July.

In addition to volunteers on Rose Day itself, Friends of Crossflatts require volunteers for our Rose Day preparation day which will take place on Friday 5th July in The Willows from 9am. If you can spare any time to lend a helping hand, even an hour, it will make a huge difference. Did you know Friends of Crossflatts is a registered charity? Many companies now offer their employees the opportunity to volunteer for a charity. If this is an option available to you and you would like to volunteer, Friends of Crossflatts would love to hear from you. You can contact us at friends@crossflatts.bradford.sch.uk for further details.

It is set to be a very busy final six weeks of the year with lots of learning still to cover before we break up for the summer holidays! Only 30 school days remaining of this academic year, let's make every single day count with excellent attendance. Full steam ahead!

Best wishes

Mrs Bennett
