

Our Vision and Values

'Come as you are and leave at your best'

'We are a family, who learn how to flourish and then fly high.'

Mrs Bennett's Blog

Thursday 12th June 2024

Hi Everyone,

Welcome back to the final half term of the year! I hope everyone had a lovely break during the holidays and we are raring to go, having a wonderful summer term together!

We held our **World of Work Day** today for our children in years 3 to 5 where we had lots of different people come to run workshops with our children to give them a taste into their world and their career. We hosted people from the police, Northern Gas, Film Making, prop making, engineering and construction! Such a varied set of careers for the children to see the journey into each career.

Here are some photos...

The summer term is a very busy final half term for us so I wanted to share some key dates ahead of time for your diaries:

Summer Term

Key Dates

Friday 4th of July – Non-uniform day for Rose Day Sweet treat tombola.

Thursday 10th of July - Rose Day.

Friday 11th of July - Class Lists and End of Year Reports sent home.

Wednesday 16th of July - Shuffle up day & Meet the Teacher event.

Our Vision and Values

'Come as you are and leave at your best'

'We are a family, who learn how to flourish and then fly high.'

Safeguarding

smoothwall® Monitor

Ensuring our school's cybersecurity, and online child protection protocols is vital for keeping children and young people out of harm's way. With computing now an integral part of what every school does, from the administrative level to computing lessons it is imperative that everyone, in our school is protected. At Crossflatts Primary school we use a robust filtering and monitoring system so that every key stroke on any device used in our school is monitored. Should any inappropriate words or sentences be typed into a search engine, document or email etc. I receive an alert and screen shot of the words, which have been typed, as a possible cause of concern. This ensures we can closely monitor all device usage in our school and be vigilant at all times of anything inappropriate or content which could be harmful to children. We have an extremely effective filtering system which blocks internet access to harmful sites and inappropriate content which doesn't unreasonably impact teaching and learning or school administration. Of course as we also ensure as part of our curriculum that we teach our children how to assess and manage risk themselves when they are online.

Friends of Crossflatts

Our next in person meeting will be Friday 13th June. If you would like to attend please meet us at the school office at 9am. Our online Rose Day planning meetings will resume on Wednesday the 18th of June. If you would like to join email friends@crossflatts.bradford.sch.uk for the zoom details or ask your year group rep.

We are also planning an exciting fundraising event for the next academic year which will include a sponsorship opportunity for local businesses. If you have a local business and would be interested please contact us to discuss this further.

It is set to be a very busy final six weeks of the year with lots of learning still to cover before we break up for the summer holidays! Only 31 school days remaining of this academic year, let's make every single day count with excellent attendance. Full steam ahead!

Best wishes

Mrs Bennett
