Friday 19th September

Hi Everyone,

THE BIG START 2025!

Wow! What a wonderful day we have had at school today with our Big Top surprise! It was wonderful to see everyone so excited to take part in so many activities, learning so much about each other and having fun as the Crossflatts family. Every year we believe it is crucial that we light the learning fires within our children and fortify our school spirit together, so that we are all truly engaged and ignited to learn as one big team. After today, the fires are definitely alight and the Crossflatts family is now at full throttle! Our children's behaviour, was as always, impeccable and I was so proud when several members of the circus team complemented our children's manners and fantastic behaviour. I

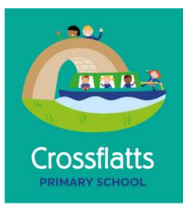

would like to express a huge thank you for everyone's help, support and hard work to make today the success it was. I am sure you can appreciate that it requires a huge amount of work and organisation to make the magic happen. I know the children created memories with their friends, which they will remember forever...
