Thursday 16th April 2026

Hi Everyone,

Welcome back everyone to the summer term! I hope you all had a lovely break over the holidays and are recharged ready to fly through this very busy term ahead! This half term only has **4 weeks and 4 days** remaining after this week so every school day must count as we have so much learning still to cover before the end of the academic year therefore every day attendance is really vital. All day, every day, the Crossflatts Way! As you are aware, we monitor attendance very closely, **if your child is too unwell to attend school, it is important that you telephone the school office by 8.30am to inform us of your child's absence.**

## Safeguarding

Safeguarding our children is fundamental to all we do at Crossflatts Primary School and something we all take extremely seriously. As it is the beginning of a new term, I just wanted to remind you who you can talk to should you ever have any concerns about any child in our school, these are the people who will be able to help you immediately. We also have a 'safeguarding concern' button on our website where you can report any concerns.

## Parent Survey

It is the time of year when we ask our families to complete our annual family survey. We would be really grateful if you could click on the link <https://www.surveymonkey.com/r/T99K89V> and complete the short survey for us- we really value your thoughts on what is going well and what could be even better as we begin to make plans for next academic year.

## Summer Uniform

As the summer is approaching the children are very welcome to switch to the summer uniform from this week- wearing the summer blue checked dress or grey tailored school shorts with either a white school shirt or polo shirt. Flip flops/sliders/crocs are not safe to wear around school. Therefore, we ask children to continue to wear their school shoes or trainers to school throughout the summer. As the weather hopefully improves to some sunny days- please do

ensure your child comes to school with a sun hat, water bottle and sun screen to protect themselves during the mid-day sun at lunch time.

## Friends of Crossflatts

With only one week to go till the Crossflatts Mini Marathon things are really picking up pace now. The children have done fantastically well and our online sponsorship platform has over £3000 in donations. This is a phenomenal amount of money to have raised. The children have been very busy in their classrooms making their London landmark to line our trail round school. We are fully stocked with squash and biscuits to refresh the children after their run, while they cheer the next year group over the finish line. Please can all the children come to school in PE kit so they are ready to race. Paper sponsor forms and cash need to be returned to school by the 1st of May. This is also when any extra miles the children want to do need to be completed by. If you are interested in volunteering to help on the day please sign up on our app. <https://volunteersignup.org/LTMHE>.

We are so excited for next week. The day is set to be full of fun with each race kicking off with a fun warmup next to our sound stage which has been kindly funded by VWG Mechanical our main event sponsor.

Our last meeting to confirm all the details of the race is tomorrow, Friday 17th April. If you would like to come along, please meet us at the school office after morning drop off. Everyone is welcome.

Let's hope for a glorious summer term with lots of sunshine filled days and lots of goals being achieved as we travel through the last term of the year!

Best wishes

Mrs Bennett
