Hi Everyone,

We were so delighted to learn that our Mini Marathon sponsorship is now in excess of £5000 going to school funds- this is amazing! We still have money coming in so we will have a final amount by tomorrow, it was an incredible event which we will definitely do again next year! Thank you so much for all of your generosity. It is greatly appreciated.

Please can I ask families to take just 5 minutes to complete our parent survey, we really would value your feedback by clicking on the link below.

Safeguarding

Helping young children in difficult situations to seek support can be challenging. Their minds are often not developed enough to understand bad situations. They are also unable to comprehend what they need to do to get out of them. More often than not their limited vocabulary will also reduce their ability to talk to adults effectively. ChildNet has released a downloadable story over on their site, aimed at children aged three and up. Their objective is to make them aware of how to seek help. By following the link below you can also find simplified resources around the story, as well as the story itself.
