Hi Everyone,

Next week is our Year 6 children's SATs week in school; these are tests the government set for the end of Key Stage 2. The children, staff and parents have worked incredibly hard to support their children through the preparation for these challenging tests. As a school, children's attainment and progress is obviously of paramount importance. Children have a right to a first-class education. At Crossflatts however, we never lose sight of the fact that our pupils are also children. Children with wonderful personalities, individual strengths and unique gifts, which no test result will ever capture. I am incredibly proud of all of our Year 6 children, who have shown grit, determination and resilience and we all wish them the very best of luck next week! Go for it Year 6! You have everyone behind you, willing you all on!

Safeguarding

As we are close to embarking on the spring bank fortnight off, many of our children will be enjoying trips to the beach, parks, rivers which are there to enjoy but we need to ensure the children know how to keep safe too. Below is a link to a useful download all about water safety which you could use to have a discussion around what to do if your child finds themselves in trouble in water.

Friends of Crossflatts

In case anyone missed the announcement last week, the astonishing amount of money that we raised from Crossflatts Mini Marathon was £9127.13. This is a truly amazing figure that will be so appreciated in school.

While we are still riding the high of this success we are looking towards our next event. This will be our annual Rose Day Fair. This year Rose Day will be on the 9th July. We will have our first Rose Day planning meeting tomorrow. If you would like to come along and get involved please meet us in the school office at 9am. If you can't make it this week don't worry there will be plenty of chances as there will be lots of meetings between now and then. If you want to help but can't make a daytime meeting, we will be having evening meetings on zoom. These details will be shared nearer the time.

Attendance

Here are last weeks figures: **Whole school: 95.8%**

Our Aspirational Target	The national target	Reception	Year 1	Year 2	Year 3	Year 4	Year 5	Year 6
98%	97%	97.3%	94.4%	94.1%	96.2%	98.3%	93.2%	96.9%

Let's hope this cold weather soon heats up!

Best wishes
