

Assistant Head & SENDCo

Mrs Reynolds

This is my eighteenth year as a member of the Crossflatts Family. I have been an Assistant Headteacher since 2021 and took on the role of SENDCo in September 2025. Throughout my career, I have been privileged to support children and young people with a wide range of special educational needs and disabilities, and I firmly believe that every child has the right to feel valued, understood and empowered to achieve their full potential.

I am passionate about creating an inclusive environment where all pupils can thrive, however that looks for them. At Crossflatts, we recognise that every child is running their own race; each journey is unique, and success looks different for every child. My role is to ensure that every child receives the support, opportunities and encouragement they need to make meaningful progress, build confidence and experience success in their own way.

Working in partnership with families is at the heart of everything I do. Parents and carers know their children best, and by working together with staff and external professionals, we can create the best possible outcomes for every child. These strong relationships help us to understand each pupil's strengths, aspirations and needs, ensuring they receive the personalised support they deserve.

One of the most rewarding aspects of my role is seeing pupils grow in confidence, develop their independence and celebrate their achievements.

I am incredibly proud to be part of the Crossflatts Family, a community where every child and family is known, valued and supported. We strive to create a culture of belonging where differences are celebrated, strengths are nurtured and every member of our family knows that they truly matter. It is a privilege to watch our children flourish and become the very best version of themselves.
