Friday 18th September

Hi Everyone,

THE BIG START 2026!

Wow! What a wonderful day we had at Stockeld Park yesterday with beautiful sunshine! It was wonderful to see everyone so excited to take part in so many activities, learning so much about each other in the magical setting of Stockeld Park. Every year we believe it is crucial that we light the learning fires within our children and fortify our school spirit together, so that we are all truly engaged and ignited to learn as one big team. After yesterday, the fires are definitely alight and the Crossflatts family is now at full throttle! Our children's behaviour, was as always, impeccable and I was so proud when several members of the staff team at Stockeld approached me to complement our children's manners and superb behaviour. I would like to express a huge thank you for everyone's help, support and hard work to make yesterday the success it was. I am sure you can appreciate that it requires a huge amount of work and organisation to make the magic happen. I know the children created memories with their friends, which they will remember forever...
