Thursday 26th November

Hi Everyone,

We are trimming up today, the festive season is beginning… with Christmas Sparkle on the horizon, I just wanted to explain what it is to our new families…

What is Christmas Sparkle?

For our new families in our Reception years- Christmas Sparkle is a tradition we have shared at Crossflatts Primary School for many years. On Friday the 11th of December, from 1.45pm, we open our doors to our families to come into their child's classroom and step into the festive spirit making some Christmas decorations together to take home. School is always bursting with families and a trail of glitter around the building! If you have more than one child, please feel free to divide your time between your children's classrooms. It is a much-loved event for all our children, we hope you will be able to join us. This is for all of our children including nursery.

Monday 30th of November- Our youngest children in our nursery, reception and Dolphin class are celebrating their Big Start with some exciting surprises in store! These children are invited to come into school in non-uniform on this day.

With the nights now drawing in much earlier and lots of our children travelling to and from school on bikes and scooters, see the top tips below on how the children can be bright and seen…

Christmas Sparkle – Family Photos

Tom from Tom Handbury Photography, who took the school photos earlier this term, will be at Christmas Sparkle on Friday 11th December taking family photos.

Do come along and have a photo taken – whether it's just the children or the whole family. You can include up to six people in a photo, so grown-ups are very welcome too.

There's no charge on the day – afterwards, you'll be able to view your photos in a private online gallery and choose those you'd like to order.

A donation from every photo order will go to Friends of Crossflatts, helping to support the school.

Attendance:

'All Day, Every Day, The Crossflatts Way!'

Here are last week's figures: Whole School: 94%

Our Aspirational Target	The national target	Reception	Year 1	Year 2	Year 3	Year 4	Year 5	Year 6
