Thursday 14<sup>th</sup> September

Hi Everyone,

Wow! Wow! Wow! What a wonderful day we have had with our Eco Fest Big start! It was magical to see everyone so excited to take part in so many activities which helps to sustain our wonderful world all around us! Every year we believe it is crucial that we light the learning fires within our children, so that they are truly engaged and ignited to learn. After today, the fires are definitely alight and the Crossflatts unique curriculum is now at full throttle! I would like to express a huge thank you to all, for everyone's help, support and hard work to make today the magic it was. I know the children created memories today, which they will remember forever. Here is a flavour of everything we got to experience today...

## Friends of Crossflatts

Our first Friends of Crossflatts meeting of the year is on Friday 15th at 9.30am. Meetings will then resume the first Friday of the month. The Wednesday evening meeting is on 20th September at 8pm and will then resume on the Wednesday following the 1st Friday of the month.

As there are no communal areas in school all meetings will be on Zoom for the time being. If you would like to attend please email [friends@crossflatts.bradford.sch.uk](mailto:friends@crossflatts.bradford.sch.uk) to receive Zoom details.

We will be reviewing Rose Day (money raised & stalls) so do let us know if you have feedback or ideas via email if you can not attend the meetings.

An update on our school lunches, two schools have come to our rescue. Burley Oaks Primary School in Ilkley are going to continue to make our sandwich bag options and Eastwood Primary School in Keighley kitchen are going to make pasta and jacket potato with fillings hot options and these will be delivered to us in thermal bags to keep them hot. The children will then be served their hot or cold option in the classrooms. The new options will be able to be ordered from the weekend and will be served from Monday 18<sup>th</sup> of September. I appreciate this is a reduced menu however I am very grateful to the kitchen staff at both schools, who have doubled their own work load to help us. Once they have refined their systems for absorbing our additional meals to their own school meals, we will review the menu and see if it will be possible to add further options. I am working closely with the local authority to make a long term plan to be able to provide our own meals once again once our cabin village is built and in situ. Thank you for bearing with us.

Have a great week everyone.
