Thursday 28th September

Hi Everyone,

It definitely feels like we are now into autumn days, the weather has definitely become chillier and autumnal over this week. When you have a moment please dig out the winter coats, scarves and hats in the coming last two and a half weeks of term so that your child is nice and cosy whilst playing out in the cooler temperatures during playtimes and lunch times. It also really helps us if you can ensure all of your child's belongings are labelled.

We are over the half way mark of this half term and when I have been on my walks visiting classrooms, I have been so impressed with the standard of learning and progress the children have already made in the first half of this first half term. We will be opening our doors for our first open afternoon for all of our families to visit their children in their classrooms and for you to see all the work, which has happened to build temporary classrooms due to our current situation- on **Friday 6th of October from 1.45pm-2.45pm**. This will be a great opportunity to have a good look through your child's learning journeys so far, in preparation for our first parent's evenings of the year, which will take place the week after.

Our autumn parent's evenings, will take place on **Tuesday 10th of October and Wednesday 11th of October**. These appointments will be held in your child's classroom and appointments will be available from 3.30pm until 6pm across both evenings. Bookings for these sessions will open on Monday the 2nd of October at 6pm. Please just click on the link to make a booking.

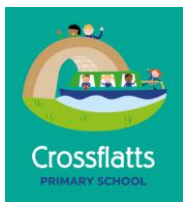

<https://crossflatts.schoolcloud.co.uk/Auth/Admin> We look forward to welcoming you into school and showing you around our new remarkable temporary version of Crossflatts Primary School.

We have an opening for a member of staff to join our committed and hardworking learning support assistant team here at school working with children to support their learning and lunch time support. If you are interested please see the advert linked below. Please contact Mrs Sugden at school if you would like a chat about what the roll involves and further details.

Friends of Crossflatts are holding our first fundraising activity of the academic year, our annual Pumpkin Decorating Competition on Tuesday 17th October. Prizes will be given per year group and adults there is a category for you too! Entries £1. We can't wait to see your spectacular spooky creations!
