

History.

Meet the Leader

Mrs Woodhead - Year 5 teacher.

I have been a member of the Crossflatts family since I was training to be a teacher. I began my career in Year 5 and I have taught throughout KS2. I love how history not only engages and excites the children but also ignites a curiosity within them as they learn about events that have shaped the world in which they live in today. I believe that it is essential for children to understand the changes in people's lives, cultures and the development of diverse societies.

Our Vision

Here at Crossflatts, our aim is to excite and ignite children's curiosity to know more about the past and expand their understanding of the world around them. Through a wide range of topics across the curriculum, our intent is to inspire children to develop their own skills as historians. From the Early Years Foundation Stage, children will develop their understanding of past and present events in their own lives. As they progress through the school, children will gain an understanding of how historical events, both locally and worldwide have impacted the world they live in today.
