

MFL

Meet the Leader

Mrs McCausland - MFL Lead, Year 6 and Nursery Teacher

I have been teaching here at Crossflatts since 2002 and, over the years, I have taught in all year groups. I have always loved learning languages and did a degree in French and Spanish, which enabled me to indulge my love of travel. Being able to lead MFL across the school means that I can share this passion for language, culture and adventure. I believe this part of the curriculum is more important than ever in today's multicultural society. When children learn a new language, they are introduced to customs and values belonging to a different society. This encourages them to think from a new point of view, improving cultural sensitivity and promoting a desire to explore the world!

Our Vision

The intention of the MFL curriculum at Crossflatts Primary School is that children are taught to develop an interest in learning another language, French, in a way that is enjoyable and stimulating. We encourage children's confidence and creative skills. We strive to stimulate and encourage children's curiosity about language. We embed the skills of listening, speaking, reading and writing necessary to enable children to use and apply their French learning in a variety of contexts, and lay the foundations for future language learning.

Listen to what our children think on the video below:
