Meet the Leader

Mr Wilkinson- Year 2 Teacher, PE Lead

I have been a member of the Crossflatts family for seven years, where I started in After School Club! I began my teaching career three years ago in Year 1 as an ECT. I took on the role of PE lead during my 2nd year of teaching and never looked back since!

PE isn't just playing football with friends, it's about keeping active, living a healthy balanced lifestyle, and looking after our mental and physical wellbeing. At Crossflatts, we embrace being a physically active school, with a wide range of opportunities to be involved in, in school and outside of school. It is vital we show our students the importance of PE and create a lifelong love for physical activity.

I have loved leading PE so far. My role has enabled me to offer so many of our students' opportunities to represent our school in competitions. Playtimes are full of excited faces, competitive spirit and out-of-breath laughter as the students all engage in different forms of physical activity.

Our Vision

Our main vision is to provide our pupils with a fun, high-quality and inclusive PE curriculum that will inspire them to become physically confident in a way which supports their health and fitness. Our children will have opportunities to compete in sport and other activities that build character and help to embed values such as fairness and respect. Our skills-based curriculum is often evaluated and reflected upon, to ensure our students are receiving quality teaching and learning.

Listen to what our children think on the video below:
