

# ART CHALLENGES

Hi Everyone!

This half term holiday, as we may be a bit limited on places to go and things to do, I would like to give you the opportunity to get creative!

The first challenge is based around a beautiful Autumnal theme! Inspired by the changing seasons and the falling leaves, we would like to see what you can create with 100 leaves! Here are some examples;

These remind me of Andy Goldsworthy—who I know Year 2 have learned about this half term!

[You can share these with us on our BRAND NEW Twitter account for Art! @crossflattsart](#) or e-mail them to me at [laura.reynolds@crossflatts.bradford.sch.uk](mailto:laura.reynolds@crossflatts.bradford.sch.uk)

Our second creative opportunity is linked to Remembrance Day. This year, all of the usual parades are cancelled, which is such a shame as we know many of you attend. BUT we can still show the Crossflatts and Bingley community that Crossflatts Primary School Remembers.

During school closure, you amazed us with your beautiful Rainbows of Hope. Now, we'd like you to showcase Poppies of Remembrance in your windows!

There is a template available on our school website, or you can create your own!

Here are some examples of poppies, which you might take inspiration from!

This gorgeous wreath is made from bun cases and buttons!

You could fill your window with your very own field of poppies like these ones!

This paper plate poppy looks really effective!

These Georgia O'Keeffe inspired chalk poppies would look beautiful in your windows!

There are lots more ideas online and once again, you can share your displays with us [@crossflattsart](https://twitter.com/crossflattsart) or e-mail me at [laura.reynolds@crossflatts.bradford.sch.uk](mailto:laura.reynolds@crossflatts.bradford.sch.uk)

I can't wait to see what you do!

Take care and stay safe, have a happy half term!

Mrs Reynolds
