Please watch the videos attached to each project. There is a project for each day of the week. These will also be uploaded on the website.

We would love to see your activities! Send them to;

## **Reading/Writing**

Please continue to look at the daily phonics videos and practise saying the sound. Have a go at writing the sound too! Can you think of a word that begins with the sound and write it in a sentence?

## **Creative**

Can you make your own jigsaw puzzle? Have a look at the link below for some inspiration! You could use a cereal box!
