28th June 2019

Dear Parent/Carer.

I am writing to inform you that the school nurse will be coming into school on Wednesday 17th July to talk to Year 6 and discuss puberty. The talk will cover all aspects of the Year 6 Science curriculum relating to puberty. This is an informative session, which all schools provide, before the move to Year 7 and it is asked that all pupils attend.

If you have any concerns or would like the content of the session outlined, then please do not hesitate to contact us before Wednesday for further information. We are keen to give you the opportunity to hear what the children will be told and ask any questions that you may have.

Yours faithfully,

Mr Learmonth and the Year 6 team
