Year 3 Homework Project

Spring 2

This half term we are learning all about Charlie and the Chocolate Factory in our fabulous topic. Scrumdiddlyumptious!

For your optional project homework we would like you to design your very own, Willy Wonka style confectionary creation!

We would like to see how it looks, what the wrapper looks like, if it does anything amazing and any other things you think we would like to know.

We would also like you to create an advertisement for your creation. A poster, leaflet—as always, anything goes!

Be as creative as you like and remember, in the world of Willy Wonka—nothing is impossible! Dream BIG and be as creative as you like!

We will start to look at this delicious homework on the week beginning 30th March.

Please remember that this is an optional project.

Thank you and have fun!

Year 3 Team
