

Week beginning: 13th July 2020

OWLS CLASS

Welcome to the very last week of the final half term of the school year 2019 2020.

I know that some of you are going to be in school for a couple of days this week meeting your new teachers and seeing your new classrooms. I'll be looking after Year 6 as obviously they can't visit their new schools yet so I hope that I see you from a distance in your bubble and if not, I will certainly see you in September.

As usual the whole school start the new school year with the same theme and this theme will be something you will learn about this week either at school with your new teachers or at home with me just like we have been doing since that fateful week in March when school closed.

If you have missed any weekly Home Learning - all the weeks are saved on the school website. Look for School Closure Guidance then click on Nursery.

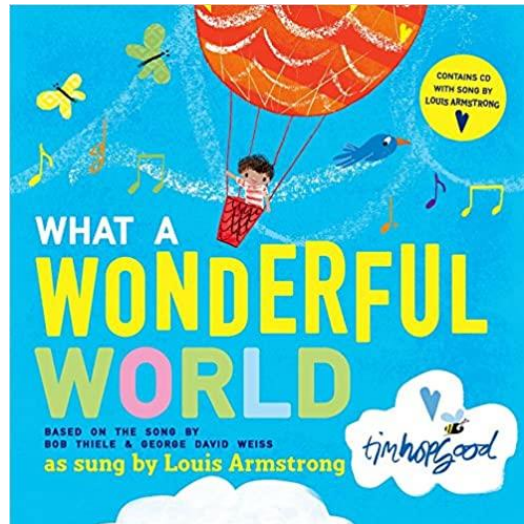

Our new theme is:

In this topic we will celebrate all the great things that we are so lucky to have in our world and we will learn ways to look after the world and ways to look after each other.

This week's book is:

<https://www.youtube.com/watch?v=UYbKOUzfMHY>

Sung by Louis Armstrong with illustrations from the book.

<https://www.youtube.com/watch?v=vnI8Zm53P8o> This version isn't narrated but you could read the words from the page or discuss the pages together.

Songs of the week

What a wonderful world

<https://www.youtube.com/watch?v=vw3o6GQ2xe8>

Three little birds

https://www.youtube.com/watch?v=LanCLS_hlo4

Rhyme of the week

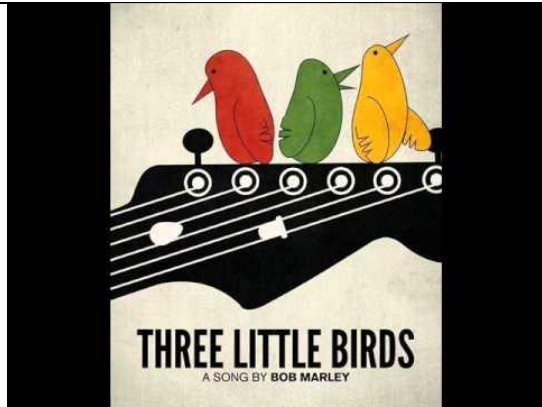

Five little apples

FIVE little apples so red and bright
were dancing about on a tree one night.
The wind came rustling through the town
One little apple came tumbling down.

FOUR little apples so red and bright
were dancing about on a tree one night.
The wind came rustling through the town
One little apple came tumbling down.

THREE little apples so red and bright
were dancing about on a tree one night.

The wind came rustling through the town
One little apple came tumbling down.

TWO little apples so red and bright
were dancing about on a tree one night.
The wind came rustling through the town
One little apple came tumbling down.

ONE little apple so red and bright
was dancing about on a tree one night.
The wind came rustling through the town
One little apple came tumbling down.

Days of the week and
the months of the
year.

Every day in Nursery we used to talk about the days of the week and the months of the year so that you could learn them ready for Reception Class. Practise them again over the summer.

Sounds of the week: Jj
and Kk

What words, names or things begin with the /j/ or /k/sound?

Listen to the letter J song

<https://www.youtube.com/watch?v=6KXX6fCKWeS>

and the letter K song and sounds.

<https://www.youtube.com/watch?v=OGVbUgqp7LQ>

Make sure you know your Birthday month too!

Jolly Phonics /j/ sound song

<https://www.youtube.com/watch?v=CB7pVOiyIVs>

Jolly Phonics /k/ sound song

<https://www.youtube.com/watch?v=ts6tjmREjSw>

Over the summer listen to the sounds that letters in the alphabet make.

Outdoors:

Here are 5 senses

When you are outdoors in our wonderful world, find things you can see, hear, smell, taste and touch.

Indoors:

Draw, paint or colour a picture of your most favourite things in your world at home.

Notes:

Hi everyone.

A bittersweet week in school with the Owls. We have had lots of fun but we were sad we couldn't all be together to end the year. Thanks to those who participated in the Graduation. I think you all look fantastic! There's still time to send your photos in and you can keep in touch over the summer by emailing me on alison.taylor@crossflatts.bradford.sch.uk

I have enjoyed teaching the children very much and I hope that they are happy in their new classes or new schools as the case may be.

Have a lovely transition week whether at home or at school.

Sending love.

Miss T x

AJTaylor 10.7.2020

The in school Owls made jellyfish this week and we are pleased that you made one at home, Phoebe. Yours is actually bigger than ours as our plates were smaller. We made ours outside. This was not a good idea as it was windy and they tended to blow away. Well done, Phoebe!

In school we learned the letter H and the /h/ sound and lots of the children said 'huh is for Harriet'. Here she is at Knowsley Safari Park learning about Wild Animals. We loved watching your video making the jellyfish, Harriet! We also had a go at making an Octopus but yours are more colourful than the ones we made in school. Well done!

Congratulations Graduate Layla!

Congratulations Graduate Jacob!

Congratulations Graduate Phoebe!

Congratulations Graduate Willow!

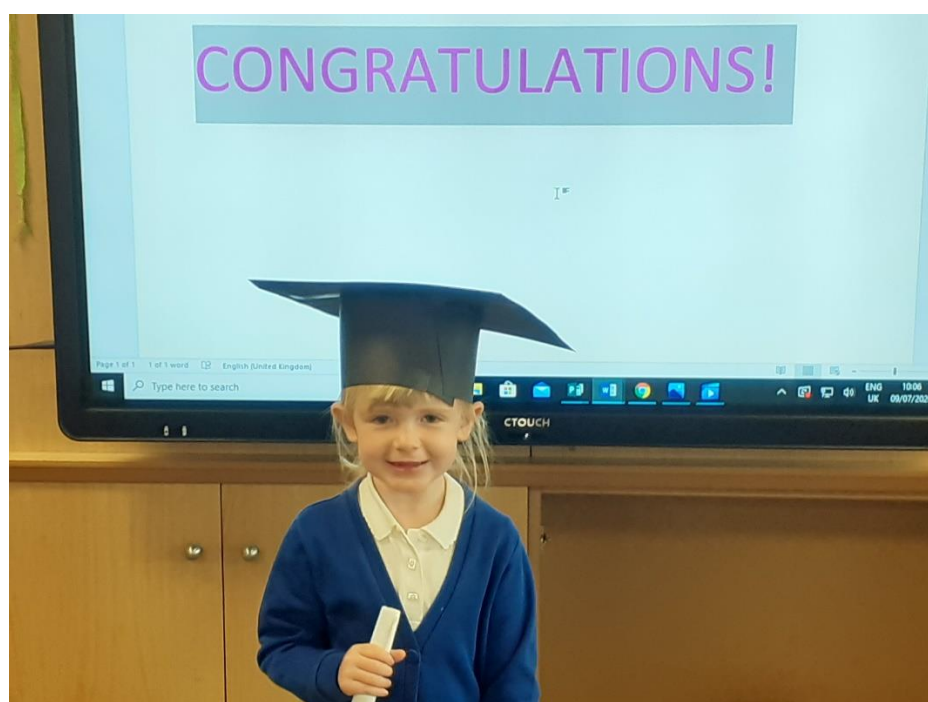

Congratulations Graduate Sam!

Congratulations Graduate Ava!

Congratulations Graduate Lana!

Congratulations Graduate Emily!

Congratulations Graduate Parker!

Congratulations Graduate William!

Congratulations Graduate Jack!

Congratulations Graduate Walter!

Congratulations Graduate Evie!
