21st October 2019

Dear Parents,

Visit to the Science and Media Museum and IMAX

On Monday 18th November, Year 5 will be taking part in an exciting visit to the Science and Media Museum in Bradford as part of our Space topic. During our trip, we will take part in a space workshop, visit the Wonderlab to try some hands-on Science activities, explore the Space exhibitions and watch a 3D film about the Earth at the IMAX cinema.

We will set off from school after registration, travel by train from Crossflatts to Bradford Forster Square and walk to the Media Museum. We will then return in time for the end of the normal school day. As we are away for the full day, the children will need to bring a packed lunch. Normal school uniform should be worn.

The cost of the visit is £8.50 which will cover the cost of train travel and entry to the IMAX. This amount is a voluntary contribution. However, if we do not receive enough contributions to fund this visit, then unfortunately the visit will have to be cancelled. Please contact the class teacher if you are unable to make this payment.

Please ensure that your payment is made online via ParentPay by Monday 4th November at the latest. This also confirms automatic permission. We hope that everyone will be able to come as this will be a brilliant end to our work on Space.

Yours sincerely,

Mrs Barker and Miss Wilkinson

Year 5
